

## VISITORS POLICY

### **Purpose:**

We wish to emphasize the responsibility of members to make their visitors aware of any Co-op policies that may affect them during their stay in the Co-op.

1. The usual residents of the unit are the members and their families.
2. Members are responsible to ensure that any friends, guests or relatives visiting them abide by the rules of the Co-op.
3. The Co-op must be notified in writing if any visitor will be expected to stay for more than 30 days.
